

HOW MANY PEOPLE CAN YOU FEED FOR \$65?

Think about it. You could take your family out for a nice dinner. Or you could buy groceries to fix several meals at home. **Did you know that you could feed 216 people with that \$65?**

A Heaven Sent Ministries Hunger Challenge is a challenge to come together to package thousands of meals for starving children and their families. We need hundreds of volunteers to package hundreds boxes of food, at a cost of just \$65 a box. That's just 30 cents per meal.

Could you pay for one box of food? Would you miss one night of eating out and put \$65 toward feeding starving children? **Would you spend two hours packaging nutritious food during a Hunger Challenge?** Would your business, church, or civic organization sponsor a table of 12 people who can assemble more than 2,500 meals for just \$780?

Join a scheduled Hunger Challenge – or work with us to get one started in your area!
