

HUNGER CHALLENGE

CAN YOU IMAGINE?

17,000 children die every day from starvation and other preventable hunger-related causes.

BUT YOU CAN DO SOMETHING.

In just **2 hours...**

...you can personally package a box of **216** nutritious meals for children who are significantly malnourished or even starving. Just **\$65** will pay for the box of food you will package.

That's **30¢** per meal!

Gather with hundreds of volunteers who will work together in assembly lines. You'll measure food ingredients, funnel them into plastic bags, and then weigh, seal, and box the meals.

These nutritious meals contain rice, soy, dehydrated vegetables, and a specially formulated vitamin blend that targets the immune systems of malnourished children.

When: _____

Where: _____

Website: _____

You must pre-register to participate.

Visit the website or call to sign up for a specific two-hour time slot.
